

We're growing to better serve you!

Join us in welcoming Dr. Elizabeth Kozakiewicz to Indian Springs Animal Clinic!

Dr. Bert Gaddis is proud to add a talented and thoughtful veterinarian to his team. "Clients who have met Dr. Kozakiewicz have loved her, and I know you will, too," he said.

The addition of Dr. Kozakiewicz to our team will provide greater flexibility for scheduling appointments, especially in the mornings and early afternoons. It will also allow Dr. Gaddis to concentrate on dentistry. Please call us to schedule your appointment today: 205-988-8654.

MEET DR. ELIZABETH KOZAKIEWICZ, "DR. K"

- Dr. Kozakiewicz is certified through the American Veterinary Medical Association and is a graduate of the Ross University School of Veterinary Medicine in St. Kitts, West Indies and did her clinical training at University of Florida.
- Dr. K is a small animal general veterinary practitioner with a special interest in acupuncture therapy.
- For the past six years, she has been working as a veterinarian in New Jersey.
- Dr. K is no stranger to Birmingham, this move brings her closer to her mom and step-dad who live in the area.
- **"My animals are my kids"**
Dr. K is the proud pet parent to three cats (Finnley, Beans and Violet) and two dogs (Coquito and Brin).
- **Outside of the office:**
Dr. K loves to hike and explore the outdoors, garden at her new home in Hoover, read fiction and cook homemade recipes with made-from-scratch goods like bread and pasta.

DENTAL CARE: DID YOU KNOW?

Dr. Bert Gaddis is the only full time board certified veterinary dentist in the tristate area of Alabama, Georgia and Mississippi.

- There are 170 certified veterinary dentists in the world.
- Board certification is like most medical doctor's certifications.
- It requires a minimum of 3-6 years of additional training and a rigorous 3-day board exam.

OUR REGULAR SERVICES:

We are a full service small Animal Hospital.

- Annual wellness checkups and same-day sick appointments
- Heartworm, flea and tick prevention
- Vaccinations based on the "lifestyle" of your pet
- Indoor boarding service available, all dogs are walked on leash multiple times daily

SUMMER REMINDERS:

With rising summer temperatures, beware of overheating or heat stroke in your pet. No matter the circumstances, NEVER leave your pet in a vehicle.

Thank you for choosing us to take care of your pets! To schedule an appointment, please call: 205-988-8654.
